

Arizona Biltmore
Original Tequila Sunrise

HISTORY OF THE ARIZONA BILTMORE'S
ORIGINAL TEQUILA SUNRISE

It was circa late 1930's or early 1940's, when a gentleman by the name of Gene Sulit came to work for The Arizona Biltmore, a resort that was then, & still is, considered Arizona's *Grand Dame* & a playground for celebrities and the rich & famous.

Gene held a variety of positions in food and beverage at our famed resort, spanning nearly 35 years of exceptional employee service. Those who remember Gene, said his true passion was bartending - because it not only gave him an opportunity to meet & mingle with resort guests on a daily basis, but it also allowed him the chance to create & develop original concoctions - one of which he invented while working at The Arizona Biltmore.

As the legend recalls, a loyal and longtime repeat guest had returned to the Arizona Biltmore for vacation to soak up the desert sunshine. Having met Gene on prior visits, the guest told Gene he loved tequila, but was looking for a refreshing beverage to enjoy poolside, and asked Gene to surprise him. & surprise him, Gene did. By blending soda and tequila with Crème de Cassis and fresh lime juice, Gene created the foundation for what was to become an iconic cocktail made famous in songs, movies & American pop culture.

Wine Features

TRUCHARD

Truchard Pinot Noir

Ripe in dense black cherry, this wine has a pleasant juiciness that keeps it balanced in the glass. A firmness of acidity supports the well-integrated tannins and fruit, while the finish brings a swirl of cinnamon and vanilla.

\$62 btl

Truchard Chardonnay

Nicely complex and layered, with pear, green fig, tropical fruit and zingy citrus notes. This is both full-bodied and elegant, with enticing scents of new oak and citrus blossom.

ISLAY

Islay malts can be recognized by their peaty smell. The taste is an acquired one as there can be a hint of saltiness, even a kippery flavor in the after-taste.

BOURBON/WHISKEY

Bourbon is an American style of whiskey, by law made from at least 51% corn. It is distilled to no more than 160 proof & aged in new charred oak barrels for at least two years. In most cases it is then adjusted to 80-100 proof & bottled.

IRISH WHISKEY

Peat is almost never used in the malting process, resulting in a whiskey with an arguably smoother, sweeter flavor. In most Irish whiskey, the smoky earthy overtones of Scotch are absent.

Tequilas

Blanco

Tequila in its true form! White tequila is stored only in stainless steel & bottled within sixty days from the completion of distillation. It is never aged in wooden barrels. The style is fresh, bold and intensely flavored.

Reposado

Reposado translates to "rested" which, by Mexican law, means aged for two to twelve months in oak barrels. This process tames and mellows the spirit while creating a complex array of flavors.

Añejo

Añejo literally means "aged". Mexican law specifies that Añejo be aged in government sealed wooden barrels for at least one year. The distiller chooses from many types of barrels, even employing used Bourbon and used Cognac barrels or new oak to contribute to the final blend.

Shrubs are an intriguing blend of fruit, sugar, and vinegar created during the Colonial Era to preserve fruit long after harvest. Recipes and methods for making shrubs vary, but the result is always a delicious liquid that captures the essence of fresh fruit – to be enjoyed in any season.
